Thank you for your faithfulness in supporting our Monthly Ministry Expenses

CLCC needs an average of \$42,000 in the General Fund each month to meet our ministry expenses. We appreciate your support as together we share the blessing and discipline of biblical stewardship. Our financial giving is an expression of Christ's lordship over our lives.

If you are a visitor at CLCC, we feel blessed to have you worship with us. Our financial needs are borne by those who regularly make CLCC their church home. Please do not feel obligated to contribute financially.
