Lesson #3

"What's That Smell?"

Hello Parents,

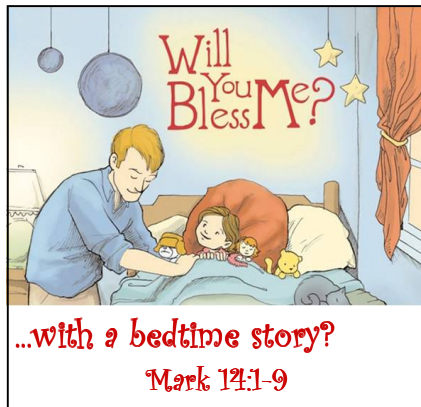

Today was our third lesson from our "Journey to the Cross" series. Today we learned that it was two days before the Passover and the Festival of Unleavened Bread. The religious leaders were always looking for a way to catch Jesus and kill him. The leaders agreed to wait until after the Passover celebration because they feared that large numbers of people would riot. Jesus was in Bethany at the home of Simon who had been healed of leprosy. As Jesus was eating, a woman came in with a beautiful jar and poured the perfume over Jesus' head. Some at the table were very upset because they thought she had wasted the perfume. They said it could have been sold for a year's wages and the money given to the poor; they scolded her very harshly. Jesus told them to leave her alone and He said that she had done a very good thing to Him. Jesus said the poor would always be there to help, but He would not be there for too long. Jesus said that she had prepared or anointed His body in advance for His burial. Jesus also said that what she had done would be remembered forever all around the world.
