HELP SUPPORT WAGNER HILLS SOCIETY

When children are young they are use to "getting" everything. They often don't have to give back. In Kid's Zone we take up on offering each Sunday for Wagner Hills Society. This is an organization that has two different homes that provide a place of healing, growth and transformation for

men and women with addiction. This is done through loving compassion, honesty, integrity, forgiveness and ethical decision making. They worship, pray and trust God in all things. We encourage the children to think about the things that God has blessed them with and to give back as a way to say Thank You to God and practice thinking about others.

LAMB'S INN

 NURSERY: Newborn to Age 3 | Room #33

We know your baby or toddler is so precious to you, and so our desire is to provide the best care for them at "Lamb's Inn." Volunteers are available through the entire service to love, hold, talk to, sing to, pray for and play with your child! All our volunteers have been trained to keep your child safe and happy. Nursery is available for the whole service.

KID'S ZONE

 GRADES K-5: Room #38 (Library)

Your kids will have a blast together as we discover the truths about Jesus and the Bible through interactive lessons, movie clips, games, and music. They will have opportunities to be part of the story and really start to understand who God is and what His purpose is for their life.

Get involved...

VOLUNTEER!

For the past few years we have been privileged to have an Omega Team from Summit Pacific College work alongside us - but we can always use more leaders who have a passion to see kids come to know Jesus!

All of our volunteers are trained, mentored, and attend the annual Children's Ministry Orientation and Plan to Protect Seminar.

Start a conversation! Sign up online to volunteer with Kid's Zone!
